attac

TPP: Asian and Latin-american countries in the pacific

TPP:

- Private court system, investor state
- Manufacture – easier to offshore
- Agricultural standards
- Finance
- Medicine patents

NAFTA: USA, Canada, Mexico

NAFTA:

- Private court system
- Mobility
- Manufacture
- Agriculture
- Services

TTIP: The failed one
between USA and the EU

TTIP:

- Private court system
- Technocrat council
- Agriculture
- Manufacture
- Enviromental standards

TISA: USA, EU, Norway +
20 high/middle income
countries

TISA:
Services:
Public services, finance,
consumer privacy
protection, industry policy

1. TISA = Trump in Services Agreement?

- Trump is not against trade deals
- TISA is fundamentally about deregulation
- TISA could be kept out of the «jobs» discussion

2. The trade agreements failed before Trump

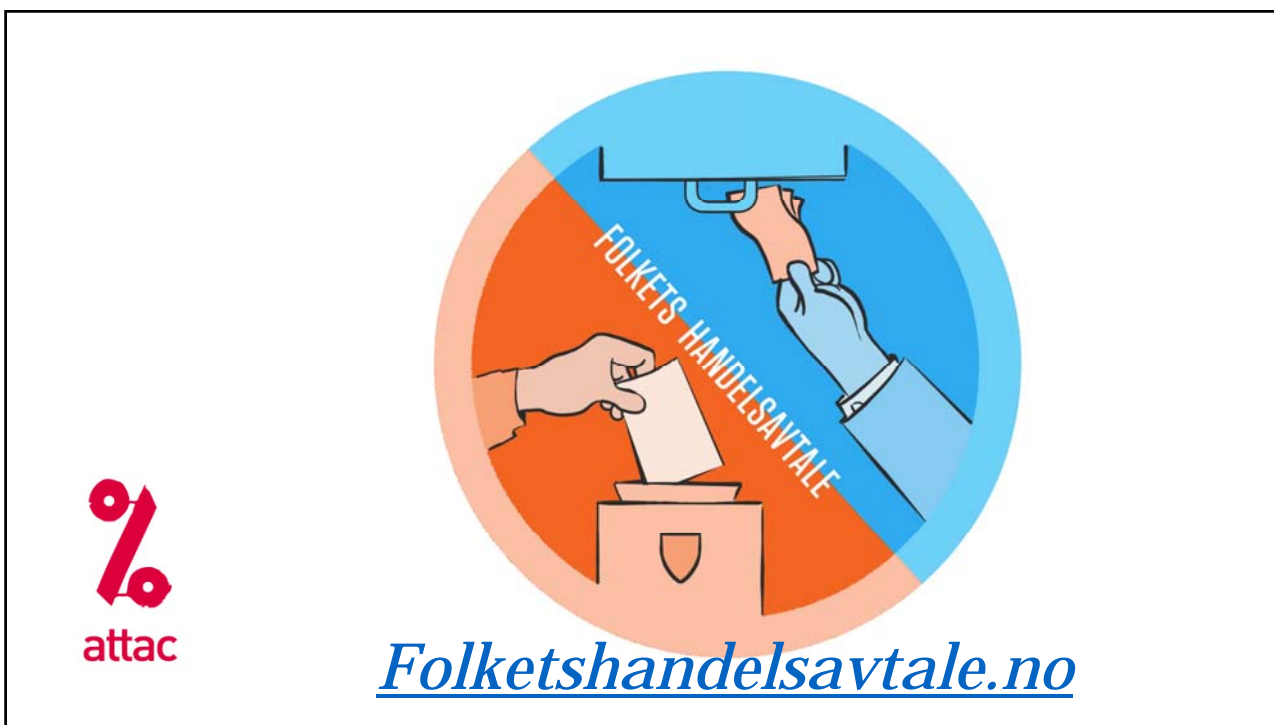

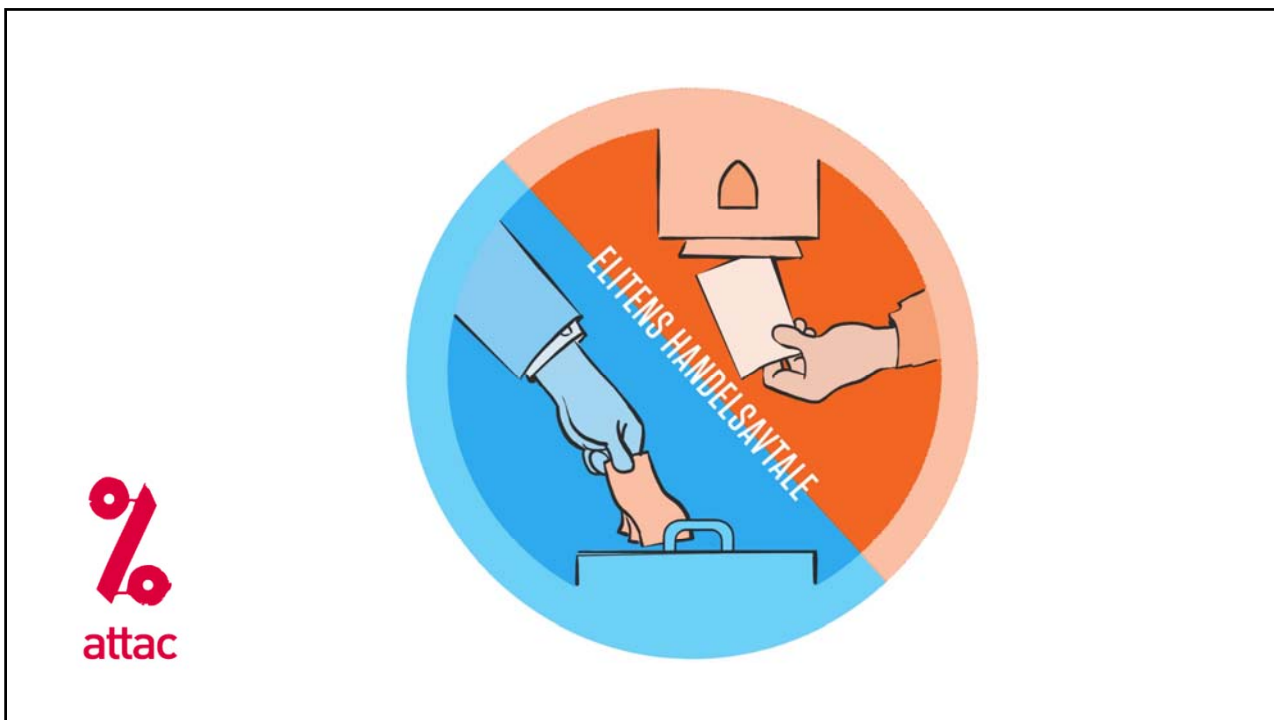

3. It's the content, not the vehicle

It's a paradigm crisis!
